BEST BUYER

Your Best Payday

Your Best Price

If you could only get paid AFTER the client got the results you promised, what relevant characteristics would they have to have in order for you to take them on?
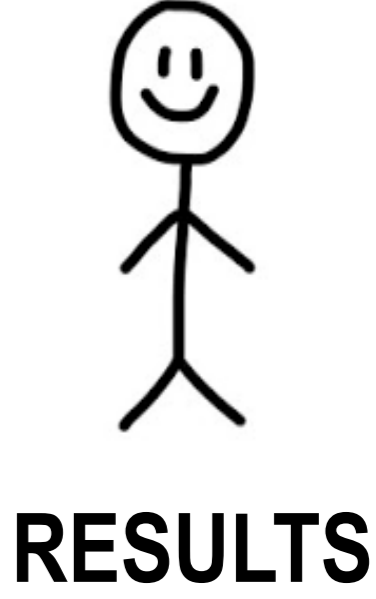

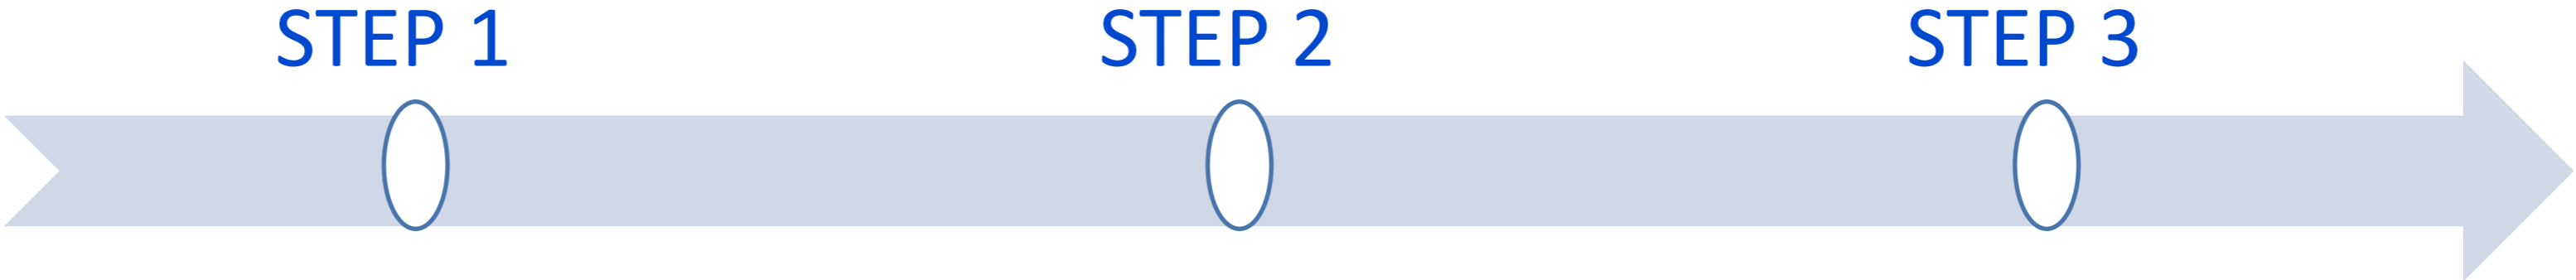

What matching mindsets would you share?

BEST BAIT

What are the three BIG things I would do to get them the fastest and most significant results?

What are the three steps I would do to help them identify their "BEST payday"?

STEP 1   STEP 2   STEP 3

NO RESULTS   RESULTS

BEST PROCESS

Core Process	Net Profit	Ease of Entry	Goodwill	Sustainable, Automated or Replicable	Energizing	Total
